WORDS OF APPRECIATION

The innovative approach, and engaging presentation made the event both educational and enjoyable for all participants and provided an excellent platform for students to challenge themselves and broaden their horizons in the field of science. The positive feedback we received from participants and audience members alike is a testament to the success of your efforts.

Air Force Bal Bharati School, Delhi

The questions were challenging yet engaging, and the format of the competition was both exciting and educational.

We thank you for hosting such an enriching and well-organized event. We look forward to participating in future competitions and events organized by your team.

DPS Ruby Park, Kolkata

The quality and variety of questions were thoughtfully crafted, ensuring a balance of challenge and engagement while covering key scientific concepts.

The quiz fostered curiosity and critical thinking among participants, encouraging them to apply their knowledge creatively

Anand Niketan Satellite Campus,
Ahmedabad

Participating in the Indian Oil Corporation Science Quiz Contest was a transforming experience for our students, Rama Jog and Samarjit Nair, they were exposed to thought-provoking questions that deepened their understanding of diverse scientific concepts and their real-world applications. One of the most significant takeaways for the students was the importance of teamwork.

Smt. Sulochana Devi
Singhania School, Thane

A special mention must be made of the quizmaster, Mr. Kunal Savarkar. His professionalism and compassion for the children were apparent in his articulate language, clear accent, and the skillful manner in which he engaged with the students. His ability to explain intricate scientific concepts in an accessible way, while maintaining a fun and interactive atmosphere, made the event even more memorable. His technical assistance and hospitality were much appreciated by both students and teachers alike, creating an environment conducive to learning and enjoyment.
